

Appl. No. 10/707,802
Amdt. dated July 25, 2005
Reply to Office action of May 05, 2005

Amendments to the Claims:

This listing of claims will replace all prior versions and listings of claims in the application:

Listing of Claims:

1-9 (cancelled).

5

10 (new): A rear projection TV, comprising:

a casing for containing an optical engine with a light source for illuminating the TV,
a screen, and a reflector;

10 a spacer disposed in the housing for separating a ventilating chamber and a rear
chamber, the optical engine being disposed in the rear chamber;

an outlet formed on the housing and the ventilating chamber for enabling fluid
communication between the ventilating chamber and the outside of the TV; and

a fan disposed in the spacer for drawing air out of the rear chamber and blowing the
air out of the TV through the outlet.

15

11 (new): The rear projection TV of claim 10, further comprising a conduit disposed in
the ventilating chamber, wherein a first end of the conduit is connected to the fan
and a second end of the conduit is connected to the outlet, and the air drawn out of
the rear chamber is blown out of the TV through the conduit.

20

12 (new): The rear projection TV of claim 11, wherein the conduit is bent for preventing
light emitted by the optical engine from being transmitted outside of the TV through
the conduit.

25 13 (new): The rear projection TV of claim 11, wherein the conduit is formed of
sound-absorptive material.

Appl. No. 10/707,802
Amdt. dated July 25, 2005
Reply to Office action of May 05, 2005

14 (new): The rear projection TV of claim 11, wherein the conduit is formed of rubber.

15 (new): The rear projection TV of claim 10, further comprising a fence disposed at the outlet.

5

16 (new): The rear projection TV of claim 15, wherein the fence comprises a plurality of downward-declining blades.
